Went through and filled potholes twice a month. Miner washout on the new bridge. Ditch mowing. Need to clear out some trees on the Woodlawn. All bridges in the county were inspected. Updates were suggested with tree trimming.

Went into mowing which will be discussed later. Figuring out if we should wait on the mowing due to the lack of monarch butterflies. If we cut the milk weed it lowers how many monarchs are around. Debate if we should mow more or less. Make the mowing on the agenda for October meeting.
